

Cloud Peak Volleyball SPONSORSHIP FORM

Helping athletes win on and off the court through the pursuit of excellence.

WHO ARE WE?

Cloud Peak Volleyball builds character-driven athletes who play to win both on and off the court. We know that the biggest lessons will be learned through the pursuit of excellence. Our athletes become skilled volleyball players and life-long learners. We seek to instill life principles that lead to success.

An investment in one of our athletes is an investment in our future.

Each year, Cloud Peak Volleyball gives back to our wonderful community.

- We host events that bring thousands of visitors to eat, sleep, and shop at our local businesses.
- We have donated over \$10,000 to our local high school volleyball programs.
- We partner with the YMCA and Recreation District to offer quality volleyball camps and clinics.
- We offer programs year-round for both youth and adults to stay active and healthy.
- We purchase much needed volleyball equipment for our local schools and other volleyball facilities.

WHY SPONSOR?

We live in a very generous community that cares about our youth. Helping our youth have experiences that shape and transform their lives is a must! The support of local businesses helps more athletes follow their dreams, and become contributing members of our community.

"The only way to predict the future is to have the power to shape the future."
Eric Hoffer

Sponsoring athletes in our program will encourage:

- Athletes to pursue excellence by competing at bigger events.
- Athletes to participate in activities that will boost their mental, physical, and spiritual well-being.
- Athletes to represent our community by providing uniforms and other team gear for each member.

Team sponsorship funds go towards needed equipment, uniforms and team gear.

Individual athlete sponsorship funds go toward a specific athletes club fees.
